On National Patent Office
under the CM of the RK

Decree of the President of the RK
as of June 23, 1992 N806

With the view of conducting state policy in the sphere of protection of industrial property objects, establishing common patent system, issuing certificate for inventions, industrial designs, trade marks and other objects of industrial property, eliminating obstacles for development of enterpreneurship, expansion of advanced technology, goods and services

RESOLVES:

1. To set up National Patent Office under the CM of the RK.

2. To determine that National Patent Office under the CM of the RK is the central body of state administration under the guidance of the Government of the RK.

3. To entitle the National Patent Office under the CM of the RK with the rights, within the limits of its functions, to adopt decisions that are mandatory for execution by ministries, agencies, enterprises, organizations and other business entities of the republic irrespective of their form of property and subordination.

4. CM of the RK has to:
perform organizational measures on establishing National Patent Office under the CM of the RK;
confirm Regulation on National Patent Office under the CM of the RK.

President of the RK N.Nazarbaev
