RESOLUTION
OF THE CABINET OF MINISTERS
of 20 May 1993 # 411

“On stage-by-stage introduction of compulsory certification of products (works, services) in the RK”.

To implement the Resolution of the Supreme Soviet of the RK of 18 January 1993 # 1887-XII “On order of introduction of the law of the RK ‘On standardization and certification’ into force” and with the purpose of stage-by-stage introduction of certification of products (works, services) for their correspondence to compulsory requirements of the standards or other normative documents ensuring safety for life, health of people, property of citizens and protection of environments the Cabinet of the Ministers RESOLVES:

1. To approve attached List off the groups of unified products (works, services) produced in kazahstan and imported into its territory which are the subjects of compulsory certification.

2. The Main Department on standardization and metrology under the CM of the RK shall stage-by-stage carry out certification of indicated products (works, services) as accreditation of certification bodies and testing laboratories (centres).

3. To set up that in the territory of the RK safety of products (works, services) is confirmed by certificates of correspondence issued by Main Department fo Standardization and Metrology under the Cabinet of Ministers of the RK or by authorized certification bodies. In the case of absence of accredited testing laboratories (centres) it is allowed till 1995 to confirm safety of products by producer’s application-declaration registered in the Main Department on Standardization and Metrology under the CM of the RK.

4. state administration bodies and economic entities together with MDSM under the CM of the RK shall determine until 1 July 1993 the products (works, services) attached to them according approved list. In the case of absence of requirements to the products that are the subjects of compulsory certification in current normative-technical documentation these requirements are established on agreement with MDSM.

5. Main Custom Department of Ministry of Finance of the RK on agreement with MDSM and Ministry of Health shall approve an order of custom control of the products obligatory for compulsory certification till 1 August 1993.

6. MDSM and its territorial bodies together with the heads of oblast administrations, Almaty and Leninsk city administration shall develop a plan of mutual works on observation of implementation of the requirements to the products (works, services) obligatory for compulsory certification till 1 July 1993.
