THE UNITED KINGDOM.

(a) Requests for the reduction of United Kingdom Import Duties.

COMMODITY.	Customs Duties Payable in the United Kingdom.				Nature of Con- cession desired.	
	1939	1939	1946	1946	Adjustment of war- time increased duties to:	
	Full	Prefer- ential	Full	Prefer- ential	Full	Prefer- ential
Light, not over 27 degrees alcohol when im- ported from Com- monwealth coun- tries and being 25 de- grees or less per sources	4/- per gal.	2/- per gal.	17/- per gal.	15/- per gal.	8/- per gal.	6/- per gal.
Heavy, of 25 to over 27 degrees alcohol proof spirit imported from Commonwealth coun- tries and being 25 de- grees or less per sources	8/- per gal.	4/- per gal.	34/- per gal.	30/- per gal.	12/- per gal.	8/- per gal.
Other spirits -; spirits dis- tilled from sugar cane	75/4d. per proof gallon	72/10d. per proof gal.	150/4d. per proof gal.	147/10d. per proof gallon	75/4d. per proof gal.	72/10d. per proof gal.

As to 1939 Commonwealth countries enjoyed a preference of 4/-
on heavy wines and parity of duty with non-Commonwealth
wines.

Through the exigencies of war these tariff ratios have been upset
and adjustment now requested partly rectifies the position. It is
however, that there should be further subsequent adjustments
in order to restore the 1939 tariff ratios or alternatively
preferential margin should be re-established in the event of the
tariff rates being maintained at a higher level.

NOTES CONCERNING THE PROVISIONAL REPLIES OF THE SOUTH
AFRICAN DELEGATION TO REQUESTS MADE ON IT FOR TARIFF
CONCESSIONS.

1. The provisional replies are intended as a basis for negotiation only and are in no way binding on the South African Delegation or on the Government of the Union of South Africa.

2. The replies assume that reciprocal concessions will be made of a nature adequate to justify the concessions offered by the South African Delegation.

3. As and when similar replies are sent to other members of the Preparatory Committee copies will be forwarded to all delegations with which the South African Delegation is negotiating.

4. The remarks column of the schedule indicates the tariff changes which the South African Delegation considers it can offer in the light of present circumstances and on the basis of the above assumptions. Where no remarks are made the South African Delegation regrets that it cannot see its way clear for the present to offer any concession. It nevertheless recognises that the whole position at present is fluid and that events which take place during the Conference may change its views in respect both of the items in which it proposes to make no concessions and of the concessions which it is now tentatively proposing to make.

5. It need hardly be stressed that the contents of the attached document are privileged and that no recipient should in any way disclose them to any outside party whatsoever.
