

DRAFT CHARTER

AMENDMENTS PROPOSED BY THE BURMA DELEGATION

Article 10.

In paragraph 2, first sentence, substitute the word "development" for the word "plans".

Reasons

The amendment is intended to empower the organization to undertake surveys when so requested by a Member.

Article 11

In paragraph 2, delete the words "unreasonable or unjustifiable" and substitute the word "discriminatory" for the word "injurious".

Reasons

As the paragraph stands at present foreign "enterprise, skills, capital, arts or technology" are given better treatment than national "enterprise, skills, capital, arts or technology". The amendment is intended to give equal treatment to both.

Article 12

Delete the whole Article.

Reasons

The inclusion of this article overshadows the true purpose of the Chapter, which is "Economic Development". The purpose of this article is already covered by paragraphs 2 and 3 of Article 11.
