Brussels Convention on Nomenclature for the Classification of Goods in Customs Tariffs

Communication from the United Kingdom

A letter from the Leader of the United Kingdom Delegation, dated 27 February, states that the Brussels Convention on Nomenclature was signed on behalf of the United Kingdom on 21 February 1951 and encloses a copy of the Annex Schedule of the United Kingdom tariff concessions transposed into the terms of the nomenclature. One copy of this schedule with its covering note has been circulated to each contracting party and acceding government.

The letter from the United Kingdom Delegation further states that it is hoped that the transposition of the Geneva Schedule of United Kingdom tariff concessions will be completed in the near future.

Governments will note from the covering letter circulated by the United Kingdom delegation that, "the Government of the United Kingdom intend to propose at the Sixth Session of the Contracting Parties that the Schedules in Brussels Nomenclature form should be adopted by the Contracting Parties as the operative Schedules, in the place of the original United Kingdom Schedules, as from the date on which the revised U.K. tariff classification, established in accordance with the Brussels Convention, enters into force under United Kingdom law."
