## SCHEDULE XX - UNITED STATES

### Renegotiation under Article XXVIII:4

The following communication, dated 21 September 1964, has been received from the United States delegation.

---

In accordance with our announcement at the 6 July 1964 Council meeting (document C/M/21 of 13 July 1964), a special United States delegation will be available in Geneva between 5 October and 6 November to resume negotiations under Article XXVIII:4 of the General Agreement with a view to the establishment in a new Schedule XX of the individual negotiating rights of contracting parties.

It is urgently hoped that all contracting parties concerned which have not concluded settlements with the United States will avail themselves of this opportunity to bring forth their remaining questions. Contracting parties wishing to negotiate or consult are requested to make arrangements with the Permanent United States Representative to the GATT.
