## CHANGES TO GATT SCHEDULES

### Fifth Certification of Changes to Schedules

#### Addendum

Entry into force on 7 August 1981

1. A draft of the Fifth Certification of Changes to Schedules was distributed to contracting parties on 30 March 1981 in document TAR/10.
2. After an extension of the period for the examination of the draft certification, the Fifth Certification entered into force on 7 August 1981.
3. The following correction of a clerical error should be made. The reference in Annex A (2) in TAR/10 to

"Rectification of a Schedule annexed to the Fourth Certification of Schedules XVIII South Africa (Part II only)"

should read:

"Modifications of a Schedule annexed to the Second Certification of Changes to Schedules

XVIII South Africa (Part II only)".

This submission was a part of the South African modifications approved for inclusion in the Fourth Certification (see documents L/4592, pages 11 and 12, and L/4782) but was inadvertently left out of that Certification and is consequently being incorporated in the Fifth Certification.

4. The original copy of the Certification has been deposited with the Director-General. The Certification will be registered in accordance with the provisions of Article 102 of the Charter of the United Nations and a certified true copy will be sent to each contracting party. In addition, one further copy of the printed volume will be transmitted free of charge to all contracting parties. Additional copies will be available for sale in the secretariat.
