Communication from the Commission of the European Communities

Addendum

The following communication, dated 25 May 1981, has been received from the delegation of the European Communities.

Further to the communication of the Commission of the European Communities circulated in GATT document TAR/16, of 20 May 1981, concerning negotiations under Article XXIV:6 of the General Agreement, I have the honour to send you thirty copies of the tariff statistics relating to Schedule XXV (Greece).¹

I am also forwarding a descriptive note explaining notations on these tariff statistics.

The statistics are presented in the form of average Greek imports for the years 1977, 1978 and 1979, broken down by geographical origin. Details of Greek imports for each of the years mentioned may be found in the documents that have been made available to the members of the Working Party on Accession of Greece to the European Communities.

Additional statistics relating to the European Communities of Nine will be duly communicated for the few headings for which they may be required.

The Commission of the European Communities intends to hold discussions and negotiations with the contracting parties concerned during the months of June and July.

¹ Copies of the statistics relating to Schedule XXV (Greece) and of the descriptive note may be obtained from the secretariat (Mr. R. Krommenacker, Tel. Ext. 2127, office No. 1034).
