MODIFICATION OF LIST OF ENTITIES MADE UNDER
ARTICLE IX, PARAGRAPH 5(b), OF THE AGREEMENT
ON GOVERNMENT PROCUREMENT

Communication from the Delegation of Sweden

Addendum

The following notification has been communicated by letter of
15 March 1985.

The Delegation of Sweden has the honour to notify the Committee on Government Procurement that Sweden has, due to new administrative factors, decided to revise its offer in GPR/26/Add.1 of a compensatory adjustment for the deletion of the National Industries Corporation from its list of entities in Annex I, so that the offer now comprises the Board of Customs and the National Land Survey. The total procurement of goods in 1982 by these entities amounted to about 20 million SDR.

With a view to allowing Parties sufficient time for reflection, Sweden can accept that the proposed modification and compensatory adjustment is deemed agreed upon provided no objections are received by 30 April 1985.
