ARTICLE IX:6(b) NEGOTIATIONS

CONSOLIDATED LIST OF SUGGESTIONS MADE  
FOR IMPROVEMENTS OF THE AGREEMENT

Addendum

The present addendum incorporates a suggestion concerning Article VI:9 received from the delegation of Switzerland, as follows:

"Statistical Information

Switzerland proposes the addition of a new paragraph to Article VI:9:

'The Committee shall determine the details for presentation of the information mentioned above. It may, if need be, agree on an exchange of additional statistical information.'

The new paragraph would constitute a basis for treating all existing and future proposals as decisions by the Committee rather than amendments to the text of the Agreement".
