Addendum

TERMINATION OF ACTION

The following communication, dated 6 January 1986, has been received from the Permanent Mission of Australia.

GATT document L/4526 dated 21 July 1977 contains a notification from the Government of Australia concerning action under GATT Article XIX in respect of imports of assembled passenger motor vehicles.

I have now been instructed by my authorities to inform you that Australia ceased to apply quantitative restrictions on imports of assembled passenger motor vehicles with effect from 1 January 1985. Accordingly, Australia's Article XIX action also terminated on that date.
