## LEGISLATION OF BRAZIL

### Communication from Brazil

The following communication, dated 5 November 1986, has been received from the Permanent Delegation of Brazil.

---

In compliance with the obligations under Article 25 of the Customs Valuation Code, I submit herewith, in Portuguese, a copy of the following legal texts:

- (a) Normative Act No. 84, of 17 July 1986, of the Federal Income Department, which establishes rules for the application of the Customs Valuation Code.
- (b) Normative Act No. 85, of 17 July 1986, of the Federal Income Department, which establishes transitory rules for the application of the Customs Valuation Code.
- (c) Joint Act CCA/CST/CIEF No. 25, of 21 July 1986, of the Coordination of the Customs Control System, which establishes complementary rules for determining the customs value in accordance with the Customs Valuation Code.

The full translation of the said documents will be forwarded when available.

---

These texts in Portuguese are available in the secretariat (Non-Tariff Measures Division, Office No. 1073) for consultation by delegations.
