Communication from Mexico

The following communication has been received on 1 June 1987 by the Director-General from Mr. Hector Hernandez Cervantes, Secretary for Trade and Industrial Development of Mexico.

I have the honour to inform you that owing to the urgent need to attend to my responsibilities in Mexico City I shall not be coming to Geneva, Switzerland, until July, when, as mentioned in the letter I sent you in February, I shall present to you the acceptance ad referendum of the Government of Mexico of the following codes of conduct resulting from the Tokyo Round Multilateral Trade Negotiations:

1. Agreement on Technical Barriers to Trade of 12 April 1979
2. Agreement on Import Licensing Procedures of 12 April 1979
3. Agreement on the Application of Article VI of the General Agreement on Tariffs and Trade of 12 April 1979
4. Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade of 12 April 1979 and Protocol of 1 November 1979 to the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade. In connection with this instrument, the Government of Mexico will enter the reservations provided for in that Protocol for developing countries and will make some statements.

I should be obliged if you would bring the contents of this communication to the attention of the CONTRACTING PARTIES and the signatory countries of the above-mentioned agreements.
