

RESTRICTED

RBC/17

10 March 1988

Special Distribution

The Uruguay Round  
Surveillance Body

ROLLBACK

Communication

The following communication is circulated in accordance with paragraph 4 of the agreed procedures for the surveillance mechanism (MTN.TNC/2, Annex).

1. <u>Communication from:</u> Japan	<u>to:</u> The European Community
2. <u>Participant maintaining the measure:</u> See Appendix attached.	
3. <u>Description of the measure</u> (including date of entry into force and reference to any relevant legislation or other document):  The measures concerned are maintained by the EC as well as its member countries imposing quantitative restrictions on imports from Japan for more than 100 items in a discriminatory manner. (They are based on EC and its member countries' legislations, <u>inter alia</u> , Official Journal of the European Communities C 37 of 16 February 1987 and C 57 of 5 March 1987.)	

./.

4. Products covered, including tariff headings (CCCN where applicable, otherwise national tariff lines):

See Appendix attached.

5. Country or countries to which the measure applies:

Japan, etc.

6. Grounds for belief that the measure should be subject to the rollback commitment:

The Government of Japan considers that the discriminatory quantitative restrictions maintained by the EC as well as its member countries are inconsistent with GATT principles and provisions, inter alia Articles XI and XIII, and thus are subject to the rollback commitment agreed upon at Punta del Este, and should be removed.

APPENDIX

List of Discriminatory Q Rs of the European Community

X: Discriminatory Q R applied to the countries including Japan

XX: Discriminatory Q R applied only to Japan
