MINUTES OF THE MEETING OF 9 NOVEMBER 1987

Corrigendum

Paragraph 5, under section A(i) on page 2, should be amended to read as follows:

5. The representative of the European Economic Community enquired whether Mexico had the intention, during the five-year delay period of application of the Agreement, of applying a valuation system based on the Brussels definition of value, after the elimination of its current system of official prices at the end of 1987. The representative of Mexico said that the delay of five years under Article 21 would begin from the date of entry into force of the Agreement. He added that his Government would observe the commitments undertaken in the Protocol of Accession of Mexico as regards the elimination of official prices.
