COMMUNICATION FROM THE UNITED STATES' DELEGATION

The Chairman of the Committee has received the following communication from the delegation of the United States by letter dated 9 January 1990.

"I have been instructed by my authorities to request that the Committee on Government Procurement meet, pursuant to Article VII:6 of the Agreement, to investigate the United States' dispute with Norway in connection with procurement associated with the Oslo toll ring project. We will shortly be supplying the Parties to the Agreement with a written communication outlining the nature of this dispute.

From earlier conversations I have had with Mr. Sorensen, I understand that it should be possible for this meeting to be held on the afternoon of Friday, 19 January."

An airgram containing the convening notice is being circulated.
