3. MEETINGS OF THE COMMITTEE

Since the ninth annual review, the Committee has met once on 20 March 1990 (VAL/M/26).

4. NATIONAL LEGISLATION PRESENTED

Article 25 of the Agreement requires each Party to inform the Committee of any changes in its laws and regulations relevant to the Agreement and in the administration of such laws and regulations. At its first meeting the Committee agreed on procedures for the submission of the complete texts of national legislation (VAL/M/1, paragraph 37).

Since the ninth annual review, the following additional texts of national legislation, regulations and administrative procedures have been submitted:

European Economic Community	VAL/1/Add.2/Suppl.11
Australia	VAL/1/Add.14/Suppl.4
Malawi	VAL/1/Add.27

At its second meeting, the Committee had decided that Parties should provide written responses to a checklist of issues concerning their national laws, regulations etc. (VAL/M/2, paragraph 52). At its meeting of 13 November 1985, the Committee had added two questions to the checklist (VAL/M/14, paragraph 55).

A complete listing of national legislation and replies to the checklist of issues communicated to the Committee is at Annex I of this note.

The Committee has continued its detailed consideration of national implementing legislation. At its twenty-sixth meeting, it continued its examination of the national legislations of Cyprus, Australia and the Republic of Korea.

Information on the status of the application of the Decision on the Treatment of Interest Charges in the Customs Value of Imported Goods (VAL/6/Rev.1) and of paragraph 2 of the Decision on the Valuation of Carrier Media Bearing Software for Data Processing Equipment (VAL/8 and Add.1), made available by Parties is summarized in document VAL/W/34/Rev.4. At the meeting of 11 May 1987, it was agreed that Parties which had not yet done so, should furnish the required information on date from which the Decision on interest charges would be applied.

It might also be noted that the Technical Committee has established procedures for the dissemination of information on publications relating to national legislation where the texts in question are not covered by the procedures of the Committee on Customs Valuation, and for the circulation of declaration forms for customs value. The Technical Committee also publishes an Index of rulings and conclusions on valuation questions issued by Parties. Details of information available through the Technical Committee are at Annex II of this note.

5. AMENDMENTS, INTERPRETATIONS, RECTIFICATIONS, ETC. OF THE TEXT OF THE AGREEMENT

During the year under review, the Committee has agreed to rectification in the French text of paragraph 1 of both the Note to Article 2 and the Note to Article 3 of the Agreement (VAL/W/49/Add.4).

6. TECHNICAL ASSISTANCE

Technical assistance aimed at providing information to assist countries in their consideration of joining the Agreement and at helping countries in their preparations for the application of the Agreement has continued to be a matter of high priority to Parties, the Committee on Customs Valuation and the Technical Committee. Technical assistance is being made available to both developing country Parties and other developing countries interested in the Agreement.

Information on technical assistance activities relating to the Agreement is contained in a working document (VAL/W/29/Rev.4) which reproduces information contained in CCC document 35.210.

7. INFORMATION AND ADVICE FROM THE TECHNICAL COMMITTEE, AND GENERAL REPORT ON THE TECHNICAL COMMITTEE

A detailed oral report on the work of the nineteenth session of the Technical Committee on Customs Valuation, held 12-16 March 1990 was presented by the Chairman of that Committee to the meetings of the Committee on Customs Valuation of 20 March 1990. At its March 1990 meeting the Technical Committee approved a case study on the application of Article 8.1(b) concerning the adjustments that should be made in connection with the services in points (i), (ii), (iii) and (iv) of the Article. The Committee on Customs Valuation took note of this report and expressed its appreciation of the continued valuable work of the Technical Committee.

8. SUBSTANTIAL DIFFICULTIES ENCOUNTERED BY PARTIES IN APPLYING THE AGREEMENT

As in previous years of operation of the Agreement, no Party has reported any substantial difficulty with applying the Agreement. One Party submitted a communication on the matter of burden of proof (VAL/W/51).

9. CONSULTATION AND DISPUTE SETTLEMENT

The secretariat is not aware of any Party that has requested consultations under Article 19 of the Agreement. The provisions of Article 20 have not been resorted to.

10. PANELISTS

In accordance with paragraph 2 of Annex III of the Agreement, which states that each Party shall be invited to indicate at the beginning of every year to the Chairman of the Committee the name(s) of one or two governmental experts whom the Parties would be willing to make available for panel work, the following Parties have nominated persons who would be available to serve on panels in 1990: Canada, the European Communities, Finland, Hong Kong, Japan, the Republic of Korea, Norway, Sweden and the United States.

11. OTHER MATTERS RELATING TO IMPLEMENTATION

(i) Use of various valuation methods by Parties

It will be recalled that, at its meeting of 10-11 November 1983, the Committee agreed that a new data collection exercise should be postponed until additional countries were applying the Agreement, and decided to revert to this question at an appropriate future meeting. The question was not taken up in 1990.

12. ANNUAL REPORT TO THE CONTRACTING PARTIES

The Committee adopted its annual report to the CONTRACTING PARTIES in accordance with the requirements of Article 26 of the Agreement (L/6761).

13. GENERAL APPRECIATION OF EXPERIENCE WITH IMPLEMENTATION AND OPERATION OF THE AGREEMENT

As in previous years, Parties have indicated general satisfaction with their experience with the operation and implementation of the Agreement, which has continued to contribute towards the realization of its objectives and to creating improved conditions for the conduct of international trade. While some two-thirds (see Annex III) of international trade is already subject to the provisions of the Agreement, this contribution would be enhanced by the adoption of the Agreement by more countries.
