ELEVENTH ANNUAL REVIEW OF THE IMPLEMENTATION AND OPERATION OF THE AGREEMENT

Background Document by the Secretariat

Article 26 of the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade provides that "the Committee shall review annually the implementation and operation of this Agreement taking into account the objectives thereof".

The main objectives of the Agreement are those listed in the Preamble. The annual review of the Committee should cover the operation of the Agreement as a whole, as well as action by Parties to ensure proper implementation and operation of the Agreement in the light of its objectives and specific obligations.

At its meeting of 13 November 1991, the Committee conducted its eleventh annual review on the basis of document VAL/W/52. The present document takes into account the points made during that review and the work of the Committee at that meeting as a whole.

The information contained in this document covers the period from 8 December 1990 to 6 December 1991.

The contents of this document are as follows:

3. MEETINGS OF THE COMMITTEE

Since the tenth annual review, the Committee has held two meetings on 7 February 1991 and on 13 November 1991. The minutes of these meetings are contained in documents VAL/M/27 and VAL/M/28, respectively.

4. NATIONAL LEGISLATION PRESENTED

(i) Texts of national legislation

Article 25 of the Agreement requires each Party to inform the Committee of any changes in its laws and regulations relevant to the Agreement and in the administration of such laws and regulations. At its first meeting, the Committee agreed on procedures for the submission of the complete texts of national legislation (VAL/M/1, paragraph 37).

Since the tenth review, the following additional texts of national legislation, regulations and administrative procedures have been submitted:

Argentina	VAL/1/Add.22/Suppl.2
India	VAL/1/Add.24/Suppl.1.

Annex I contains a complete list of national legislations that have been communicated to the Committee.

(ii) Checklist of issues

At its second meeting, the Committee had decided that Parties should provide written responses to a checklist of issues concerning their national laws, regulations etc. (VAL/M/2, paragraph 52). At its meeting of 13 November 1985, the Committee had added two questions to the checklist (VAL/M/14, paragraph 55).

Since the tenth annual review no further replies to the checklist of issues have been submitted. Annex I contains a list of the replies that have been communicated to the Committee.

(iii) Examination of national legislations

The Committee has continued its detailed consideration of national implementing legislation. During the year, the Committee concluded its examination of the amendments concerning the legislation of the Republic of Korea, and took note of a modification of the Council Regulation of the European Communities. It also took note of the draft bill prepared by Zimbabwe regarding the implementation of Article 1.2 (b) (iii) and Article 6 of the Agreement (VAL/42/Add.1). It examined an amendment to the Customs Valuation Rules, 1988 of India, and will pursue discussions on this matter at the next meeting. It continued its review of the national legislations of Australia, Cyprus, and Malawi. The Committee will revert to the implementing legislations of Argentina, Cyprus and Malawi at its forthcoming meeting, and it agreed to return to that of Australia at future meetings if so requested by a Party.

(iv) Status of the application of the Committee Decisions

Information on the status of the application of the Decision on the Treatment of Interest Charges in the Customs Value of Imported Goods (VAL/6/Rev.1) and of paragraph 2 of the Decision on the Valuation of Carrier Media Bearing Software for Data Processing Equipment (VAL/8 and Add.1), made available by Parties is summarized in document VAL/W/34/Rev.5. At the meeting of 11 May 1987, it was agreed that Parties which had not yet done so, should furnish the required information on the date from which the Decision on interest charges would be applied.

5. AMENDMENTS, INTERPRETATIONS, RECTIFICATIONS, ETC. OF THE TEXT OF THE AGREEMENT

During the year under review, the Committee discussed the problem of linguistic consistency between the English, French and Spanish texts of the introductory sub-paragraph of Article 8.1 (b).

6. TECHNICAL ASSISTANCE

Technical assistance aimed at providing information to assist countries in their consideration of joining the Agreement and at helping countries in their preparations for the application of the Agreement has continued to be a matter of high priority to Parties, the Committee on Customs Valuation and the Technical Committee. Technical assistance is being made available to both developing country Parties and other developing countries interested in the Agreement.

Information on technical assistance activities relating to the Agreement is contained in working documents VAL/W/29/Rev.5 and VAL/W/29/Rev.6, which reproduces information contained in CCC documents 36.196 and 37.038, respectively. At the Committee meeting of 13 November 1991, one Party informed the Committee of changes that will be introduced to the training course that it organizes for customs officers from developing countries.

7. INFORMATION AND ADVICE FROM THE TECHNICAL COMMITTEE, AND GENERAL REPORT ON THE TECHNICAL COMMITTEE

(i) Meetings of the Technical Committee

Detailed oral reports on the work of the twentieth (8-12 October 1990), twenty-first (12-15 March 1991) and twenty-second (7-11 October 1991) sessions of the Technical Committee on Customs Valuation of the Customs Co-operation Council were presented to the meetings of the Committee on Customs Valuation.

(ii) Texts adopted by the Technical Committee and approved by the Customs Co-operation Council

The following instruments of the Technical Committee were approved at the June 1990 session of the Customs Co-operation Council:

- commentary on the application of Article 1, paragraph 2;
- case studies on the application of Article 8.1 (b);
- four examples to be added to the advisory opinion on currency conversion;
- commentary on the application of the deductive value;
- procedure for consideration of matters submitted to the Technical Committee.

At its October 1990 meeting the Technical Committee adopted the following instruments, which were subsequently approved at the June 1991 session of the Customs Co-operation Council:

- commentary on activities undertaken by the buyer on his own account after purchase of the goods but before importation;
- commentary on buying commissions;
- case study on insurance premiums for warranty.

(iii) Information available through the Technical Committee

The Technical Committee has established procedures for the dissemination of information on publications relating to national legislations where the texts in question are not covered by the procedures of the Committee on Customs Valuation, and for the circulation of declaration forms for customs value. The Technical Committee also publishes an Index of rulings and conclusions on valuation questions issued by Parties. Details of information available through the Technical Committee are contained in Annex II of this note.

The Committee on Customs Valuation took note of these reports and expressed appreciation for the continued valuable work of the Technical Committee.

8. SUBSTANTIAL DIFFICULTIES ENCOUNTERED BY PARTIES IN APPLYING THE AGREEMENT

As in previous years of operation of the Agreement, no Party has reported any substantial difficulty in applying the Agreement. One Party submitted a communication on the matter of burden of proof (VAL/W/51).

9. CONSULTATION AND DISPUTE SETTLEMENT

The secretariat is not aware of any Party that has requested consultations under Article 19 of the Agreement. The provisions of Article 20 have not been resorted to.

10. PANELISTS

In accordance with paragraph 2 of Annex III of the Agreement, which states that each Party shall be invited to indicate at the beginning of every year to the Chairman of the Committee the name(s) of one or two governmental experts whom the Parties would be willing to make available for panel work, the following Parties have nominated persons who would be available to serve on panels in 1991: Canada, the European Communities, Finland, Hong Kong, Japan, the Republic of Korea, Norway, Sweden and the United States.

11. OTHER MATTERS RELATING TO IMPLEMENTATION

(i) Use of various valuation methods by Parties

It will be recalled that, at its meeting of 10-11 November 1983, the Committee agreed that a new data collection exercise should be postponed until additional countries were applying the Agreement, and decided to revert to this question at an appropriate future meeting. The question was not taken up in 1991.

12. ANNUAL REPORT TO THE CONTRACTING PARTIES

The Committee adopted its annual report to the CONTRACTING PARTIES in accordance with the requirements of Article 26 of the Agreement (L/6941).

13. GENERAL APPRECIATION OF EXPERIENCE WITH IMPLEMENTATION AND OPERATION OF THE AGREEMENT

As in previous years, Parties have indicated general satisfaction with their experience with the operation and implementation of the Agreement, which has continued to contribute towards the realization of its objectives and to create clearly improved conditions for the conduct of international trade. While some three-fourths (see Annex III) of international trade is already subject to the provisions of the Agreement, this contribution would be enhanced by the adoption of the Agreement by more countries.
