Committee on Customs Valuation

MEETING OF 5 MAY 1993

(Agreement to send back a case study to the Technical
Committee for further consideration)

Paragraph 6 of the text adopted by the Technical Committee at its second session states that "As a practical matter, the provisions of paragraph 23 of Annex II¹ are sufficient with respect to the presentation of the reports of the Technical Committee to the Committee on Customs Valuation and the Customs Co-operation Council, it being understood that either body may request reconsideration or further consideration on any matter covered in a given report."

In view of the above and the request by the United States, it can be understood that the Committee has agreed to send back the case study contained in Annex III of CCC document 38.130 to the Technical Committee for further review, unless any Party to the Agreement notifies its objections to the GATT Secretariat by 15 June 1993.
