TARIFF NEGOTIATIONS 1960-61

Renegotiation of Concessions by Chile and Participation in "General Round"

The following communication, dated 30 January 1961, has been addressed to the Executive Secretary by the representative of Chile:

"I have the honour to inform you that my Government, in conformity with my statement to the seventeenth session of the CONTRACTING PARTIES, will be in a position to participate in the second stage of the Tariff Conference, commencing in April or May next. My Government hopes to be able, on this occasion, to initiate such renegotiations in respect of bound items included in Schedule VII as might be necessary as a result of the revision of the Chilean customs tariff.

"My Government also proposes on this occasion, to negotiate for additional tariff concessions with other contracting parties which might subject their requests on the basis of the revised tariff."
