PREPARATION FOR NEGOTIATIONS FORESEEN IN ARTICLE IX:6(b) OF THE AGREEMENT

Information on Service Contracts

Communication from the Delegation of Singapore

Appended below as requested by the Committee are the type of services acquired by the Singapore entities:

I. Central Supplies Department

The CSD does not call tenders for service contracts except for the following:

- (i) clearance of waste papers;
- (ii) servicing and maintenance of office machines and equipment;
- (iii) an occasional request for transport.

II. Public Works Department

The type of services acquired by the PWD relate mainly to building and civil engineering construction works. This is primarily in the form of consultancy services.
