REPORT NO. 4

Article VI, paragraph 9(c):

Statistics on the total number and value of contracts awarded under each of the cases of Article V, paragraph 15 - Single Tendering

Relevant sub-paragraph of Article V:15	Total number of contracts	Total value of contracts (SDRs '000)
(a) In the absence of tenders in response to an open or selective tender, or when the tenders submitted have been either collusive or do not conform to the essential requirements in the tender, or from suppliers who do not comply with the conditions for participation provided for in accordance with this Agreement, on condition, however, that the requirements of the initial tender are not substantially modified in the contract as awarded		
(b) When, for works of art or for reasons connected with protection of exclusive rights such as patents or copyrights, the products can be supplied only by a particular supplier and no reasonable alternative or substitute exists	8	3,051
(c) Insofar as is strictly necessary when, for reasons of extreme urgency brought about by events unforeseeable by the entity, the products could not be obtained in time by means of open or selective tendering procedures	1	297
(d) For additional deliveries by the original supplier which are intended either as parts replacement for existing supplies or installations, or as the extension of existing supplies or installations where a change of supplier would compel the entity to purchase equipment not meeting requirements of interchangeability with already existing equipment	5	2,604
(e) When an entity purchases prototypes or a first product which are developed at its request in the course of, and for, a particular contract for research, experiment, study or original development. When such contracts have been fulfilled, subsequent purchases of products shall be subject to paragraphs 1-14 of this Article		
Grand total	14	5,952
