Terms of reference:

1. To review existing quantitative restrictions and other non-tariff measures, the grounds on which these are maintained, and their conformity with the provisions of the General Agreement, so as to achieve the elimination of quantitative restrictions which are not in conformity with the General Agreement or their being brought into conformity with the General Agreement, and also to achieve progress in liberalizing other quantitative restrictions and non-tariff measures, adequate attention being given to the need for action on quantitative restrictions and other measures affecting products of particular export interest to developing countries; and
2. To make progress reports to the Council. The Group's complete report containing its findings and conclusions should be available for consideration by the CONTRACTING PARTIES at their 1984 Session.
