COMMISSION REGULATION (EEC) No 3177/80

of 5 December 1980

on the place of introduction to be taken into consideration in applying Article 14 (2) of
Council Regulation (EEC) No 1224/80 on the valuation of goods for customs purposes

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1224/80 of 28 May 1980 on the valuation of goods for customs purposes (¹), and in particular Article 14 (2) thereof,

Whereas Article 14 (1) of Regulation (EEC) No 1224/80 defines the place of introduction to be taken into consideration in determining the customs value;

Whereas Article 14 (2) of the said Regulation stipulates that, for goods introduced into the customs territory of the Community and then carried to a destination in another part of that territory through the territory of a third country or by sea, after passing through a part of the customs territory of the Community, the place of introduction into the Community to be taken into consideration shall be determined in accordance with the procedure laid down in Article 19 of the said Regulation;

Whereas, in determining the customs value of goods introduced under the aforesaid circumstances, there is justification for taking the first place of entry into the Community as the place of introduction in view of the fact that the most usual route to the place of destination may be through the territories of Austria, Switzerland or the German Democratic Republic or by sea and that, if this is the case, there should be no interference with the importer's choice of place of customs clearance; whereas this rule may however apply only where direct carriage is concerned, it being recognized that the goods

may be unloaded, transhipped or temporarily immobilized for reasons relating solely to their transport;

Whereas goods may be carried both through the territory of the third countries mentioned and by sea;

Whereas, when the conditions regarding the place of introduction as defined in this way are not fulfilled, reference should be made to the next place of introduction where the requirements provided for in Article 14 (1), (2) or (3) of Regulation (EEC) No 1224/80 are met;

Whereas this Regulation replaces Regulations (EEC) No 1150/70 (²) and (EEC) No 1025/77 (³);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Customs Valuation Committee,

HAS ADOPTED THIS REGULATION:

Article 1

1. The customs value of goods introduced into the customs territory of the Community and then carried to a destination in another part of that territory through the territories of Austria, Switzerland or the German Democratic Republic shall be determined by reference to the first place of introduction into the customs territory of the Community, provided the goods are

(²) OJ No L 124, 18. 5. 1977, p. 5.

carried direct through the territories of Austria, Switzerland or the German Democratic Republic by a usual route across such territory to the place of destination.

2. The customs value of goods introduced into the customs territory of the Community and then carried by sea to a destination in another part of that territory shall be determined by reference to the first place of introduction into the customs territory of the Community, provided the goods are carried direct by a usual route to the place of destination.

Article 2

The provisions of Article 1 shall also apply where the goods have been unloaded, transhipped or temporarily immobilized in the territories of Austria, Switzerland or the German Democratic Republic, for reasons relating solely to their transport.

Article 3

When the conditions laid down in Article 1 are not fulfilled, the customs value shall be determined by reference to the next place of introduction where the requirements provided for in Article 14 of Regulation (EEC) No 1224/80 are met.

Article 4

Regulations (EEC) No 1150/70 and (EEC) No 1023/77 are hereby repealed.

Any reference to them shall be deemed to refer to this Regulation.

Article 5

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 3178/80
of 5 December 1980
on air transport costs to be included in the value for customs purposes

THE COMMISSION OF THE EUROPEAN COMMUNITIES.

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1224/80 of 28 May 1980 on the valuation of goods for customs purposes (¹), and in particular Article 19 thereof,

Whereas, pursuant to Article 14 (1) (d) of Regulation (EEC) No 1224/80, the place of introduction into the customs territory of the Community is, for goods carried by air, the place where the land frontier of the customs territory of the Community is crossed;

Whereas Article 15 (2) (a) of that Regulation provides, in particular, that when goods are carried by the same means of transport to a point beyond the place of introduction into the customs territory of the Community, transport costs shall be assessed in proportion to the distance covered outside and inside the customs territory of the Community;

Whereas the fixing in advance of the percentages of air transport costs to be included in the value for customs purposes according to the various airports of departure and destination will facilitate declarations concerning the value of goods for customs purposes, and the verification by the customs authorities of those declarations;

Whereas it is appropriate to draw up a table of these percentages based in each case on the most direct air

route, unless another air route crosses the Community frontier at a place nearer the airport of departure;

Whereas this Regulation replaces Commission Regulation (EEC) No 1033/77 (²);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Customs Valuation Committee,

HAS ADOPTED THIS REGULATION:

Article 1

The air transport costs to be included in the value of goods for customs purposes shall be determined by applying the rules and percentages shown in the Annex.

Article 2

Regulation (EEC) No 1033/77 is hereby repealed.

Any references to it shall be deemed to refer to this Regulation.

Article 3

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 5 December 1980.

ANNEX

AIR TRANSPORT COSTS TO BE INCLUDED IN THE VALUE FOR CUSTOMS PURPOSES

Introductory notes

1. The following table shows:
 - (a) third countries listed by continent (column 1);
 - (b) airports of departure in third countries (column 2);
 - (c) airports of arrival in the Communities with the percentages which represent the part of the air transport costs to be included in the value for customs purposes (column 3 and following columns).
2. When the goods are shipped to or from airports not included in the following list, other than the airports referred to in paragraph 3, the percentage given for the airport nearest to that of departure or arrival should be taken.
3. As regards the French overseas departments of Guadeloupe, Guiana, Martinique and Reunion, and as regards Greenland, of which territories the airports are not included in the list, the following rules shall apply:
 - (a) for goods shipped direct from third countries to these territories, the whole of the cost of air transport to these airports is to be included in the value for customs purposes;
 - (b) for goods shipped from third countries to the European part of the Community and transhipped or unloaded in one of those territories, the air transport costs which would have been incurred for carrying the goods only as far as the airport of transhipment or unloading are to be included in the value for customs purposes;
 - (c) for goods shipped from third countries to those territories and transhipped or unloaded in an airport in the European part of the Community, the air transport costs to be included in the value for customs purposes are those which result from the application of the percentages given in the following list to the costs which would have been incurred for carrying the goods from the airport of departure to the airport of transhipment or unloading.

The transhipment or unloading shall be certified by an appropriate endorsement by the customs authorities on the airway bill, with the official stamp of the office concerned; failing this certification the provisions of the last subparagraph of Article 14 (3) of Regulation (EEC) No 1224/80 shall apply.

COMMISSION REGULATION (EEC) No 3179/80

of 5 December 1980

on postal charges to be taken into consideration when determining the customs value of goods sent by post

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1224/80 of 28 May 1980 on the valuation of goods for customs purposes (¹), and in particular Article 15 thereof,

Whereas the first subparagraph of Article 15 (2) (a) of Regulation (EEC) No 1224/80 stipulates that, where goods are carried by the same means of transport to a point beyond the place of introduction into the customs territory of the Community, transport costs shall be assessed in proportion to the distance covered outside and inside the customs territory of the Community; whereas, however, the second subparagraph states that the above provisions shall not apply to goods sent by post, and that in view of the special nature of the charges for international postal services, special provisions may be adopted for such goods in accordance with the procedure laid down in Article 19;

Whereas uniform provisions should be fixed for such goods throughout the customs territory of the Community;

Whereas the sending of goods by post includes letter post and parcel post;

Whereas in most cases the postal charges for goods sent to the place of destination inside the customs territory of the Community differ scarcely or not at all from those for delivery of the goods to the place of introduction into the customs territory of the Community; whereas postal charges are usually prepaid by the supplier of the goods and hence included in his price;

Whereas postal charges relating to that part of a distance covered which is within the customs territory

of the Community can, in any case, seldom be calculated and have only a minimal incidence on the total amount of customs duties chargeable; whereas, moreover, the controls that would have to be carried out if the said postal charges were to be deducted would be such as to jeopardize the simplicity and speed of present customs clearance procedures;

Whereas, in view of these needs, the principle should be adopted that all postal charges levied up to the place of destination in respect of goods sent by post are to be included in the customs value of such goods, with the exception of any supplementary postal charge levied in the country of importation; whereas any adjustment associated with these charges to the value declared for the purpose of determining the value of consignments of a non-commercial nature should, however, be avoided, irrespective of the maximum value fixed in Part I, 'Preliminary provisions', Section II (B) (2), of the Common Customs Tariff;

Whereas this Regulation replaces Commission Regulation (EEC) No 2741/78 (²);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Customs Valuation Committee,

HAS ADOPTED THIS REGULATION:

Article 1

1. All postal charges levied up to the place of destination in respect of goods sent by post shall be included in the customs value of these goods, with the exception of any supplementary postal charge levied in the country of importation.
2. No adjustment to the declared value shall, however,

(²) OJ No L 330, 25. 11. 1978, p. 17.

be made in respect of such charges in determining the value of consignments of a non-commercial nature.

Any references to it shall be deemed to refer to this Regulation.

Article 2

Regulation (EEC) No 2741/78 is hereby repealed.

Article 3

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

of 5 December 1980

amending Regulation (EEC) No 1496/80 on the declaration of particulars relating to customs value and on documents to be furnished

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1224/80 of 28 May 1980 on the valuation of goods for customs purposes⁽¹⁾, and in particular Article 16 thereof,

Whereas Article 1 of Commission Regulation (EEC) No 1496/80⁽²⁾ laid down, in particular, a specimen form (D.V.1) of declaration of particulars relating to customs value; whereas this specimen form must be clarified further;

Whereas, in view of the accession of Greece to the European Communities, it is appropriate to express in Greek currency the limit of value fixed by Article 2 (1) (a) of Regulation (EEC) No 1496/80;

Whereas Regulation (EEC) No 1496/80 replaces Commission Regulation (EEC) No 375/69⁽³⁾ and (EEC) No 1343/75⁽⁴⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Customs Valuation Committee,

COMMISSION REGULATION (EEC) No 3295/80

of 18 December 1980

extending as a transitional measure the validity of certain Regulations adopted pursuant to Council Regulation (EEC) No 803/68

THE COMMISSION OF THE EUROPEAN COMMUNITIES.

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1224/80 of 28 May 1980 on the valuation of goods for customs purposes⁽¹⁾, amended by Regulation (EEC) No 3193/80⁽²⁾, and in particular Article 16a (4) thereof,

Whereas, pursuant to Article 16a (4) of Regulation (EEC) No 1224/80, the validity of certain Regulations adopted pursuant to Council Regulation (EEC) No 803/68⁽³⁾ may be extended as a transitional measure until no later than 30 June 1981 under the procedure provided for in Article 19 of Regulation (EEC) No 1224/80; whereas it is fitting to extend the period of validity of the Commission Regulations establishing systems of standard average values for citrus fruits and for apples and pears;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Customs Valuation Committee,

HAS ADOPTED THIS REGULATION

Article 1

1. The validity of the following Regulations adopted pursuant to Regulation (EEC) No 803/68

shall, as a transitional measure, be extended until the provisions to be adopted by the Commission pursuant to Article 16a (2) and (3) of Regulation (EEC) No 1224/80 enter into force, but no later than 30 June 1981:

- Commission Regulation (EEC) No 1570/70 of 3 August 1970 establishing a system of standard average values for citrus fruits⁽⁴⁾, as last amended by Regulation (EEC) No 223/78⁽⁵⁾.
- Commission Regulation (EEC) No 1641/75 of 27 June 1975 establishing a system of standard average values for the determination of the value for customs purposes of apples and pears⁽⁶⁾, as last amended by Regulation (EEC) No 224/78⁽⁷⁾.

2. The extension of the validity of the Regulations referred to in paragraph 1 shall not preclude the right of an importer to have the provisions of Regulation (EEC) No 1224/80 applied.

If an importer exercises his right to have the provisions of Regulation (EEC) No 1224/80 applied to goods which would otherwise be valued under the system of standard average values, Regulations (EEC) No 1570/70 and (EEC) No 1641/75 shall no longer apply to importations by him during the transitional period.

Article 2

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
